

Citizens Police Academy

August 12, 2010

The Berwyn Police Department in its' continuing efforts to provide public safety and enhancing the public's knowledge and awareness of the criminal justice system, will be hosting a twelve (12) week Citizens Police Academy. This program is not designed to make students certified police officers, nor give the graduates any authority to act as police officers in any way.

The Citizens Police Academy provides community members with an inside look at local law enforcement. The purpose of the academy is to increase understanding between the citizens through education and interaction with members of the police department. The academy gives citizens the opportunity to learn what the police do and why we do it. It is hoped that the instruction will increase police awareness to dispel suspicions and misconceptions, all while increasing police/community relations through this educational program.

The Academy will begin Wednesday, September 22, 2010 and will consist of twelve (12) Wednesday night classes, and will be held in the Community Room of the Berwyn Police Department from 6:30 p.m. until 9:30 p.m. The instruction is comprehensive and each week separate areas of the department will be covered. Areas of instruction that will be covered are: Uniformed Patrol Operations, Criminal Law, Criminal Investigations, Juvenile Law, Crime Scene Investigations and Processing, Arson Investigation, Traffic Laws, Weapons Use of Force, Street Gang and Drug Awareness. In addition, other areas of public safety will be presented. Members of the Berwyn Police and Fire Departments will be the instructors of the program. The course format will include guest speakers, demonstrations and observations of real time police operations. At the conclusion of the twelve (12) week program there will be a graduation for the candidates who will become an alumni member and have an opportunity to take part in periodic in-service lessons and activities.
